Mt. Vernon Branch

CO-PRESIDENTS' MESSAGE

Dear AAUW Sisters,

In a time where things seem bleak politically and dark with horrible and relentless gun violence, we hope our branch is a pinpoint of light and hope. We have had an autumn filled with great programming, educating us and providing us an opportunity to make or strengthen connections with each other and the community. Most recently, we enjoyed a beautiful holiday luncheon where we enjoyed each others company and had many interesting conversations.

Throughout the fall, we also strengthened our relationships with the community by participating in local non-profit drives for towels, food, money and toiletries. See page 5 for a description of the extraordinary response to our request for toiletries for United Community's home bound clients. We also are grateful for all the donations to AAUW's Greatest Needs fund, as detailed on page 4.

We hope 2026 brings positive changes to the political environment and that unlawful executive orders, such as the one to dismantle the Department of Education, are overturned by the courts. But even if this proves to be wishful thinking, we can continue to be a voice for women and girls to have equal opportunities, and a branch where we can continue to learn and laugh.

*Happy New Year to all!
Elaine and Patsy
Co-Presidents*
